Arizona Charter Academy School Policy

In accordance with **A.R.S.15-153** School Safety Reporting, Arizona Charter Academy has adopted the following policy.

The Principal, or designee*, must report to local law enforcement any suspected crime against a person or property that:

- is a “serious offense” or involves a “deadly weapon” or “dangerous instrument” or “serious physical injury,” and
- any conduct that poses a threat of death or “serious physical injury” to an employee, student or other person on school property.

The Principal, or designee will report such incidents to the parent or guardian of each student involved in a suspected crime or any conduct described above.

Arizona Charter Academy will maintain a record of all employees that do not comply with this policy and will make that record available to any public school considering hiring that person.

Arizona Charter Academy’s safety policy is posted on the school website.

**Designee includes any administrator including Dean of Students and Student Services Coordinator.*
